

Another year has passed
And again I've missed your Birthday
What can I say
But that I wish I could be there with you.

Here I am and there you are
Mother and Daughter
Parted by land and Sea
But never by heart and mind.

Sorry is all that I can say
For not being able to share this
Joyous day with you
If only I could, I would.

But Time will pass
And we'll be together again
But whatever it is
Happy Birthday Mom.

From me to you
You're the Greatest
I love you
And I forever will

Dearest Mum,

I hope you'll ^{like} the I am
I made specially for you. I'll make
more for you if you like it. I know
it's a bit too sweet but don't worry,
I used raw sugar! ☺

I miss you mum. In fact
I miss all of you at home. I hope
you'll have a wonderful Birthday.
Always loving you.

Forever,
One and only
Daughter '92
