

...On Mother's Day...

Twenty years have past,
And here you are still by my side.
Sometimes I wonder what makes you so strong,
Cos' if I were in your shoes,
I wouldn't want it to last that long.

All these years I must have been a pain,
All the anger, hurt and shame.
I want to make it up to you,
The compensation is very much due.
I can't imagine the day when we will have to
go our separate ways
But we'll leave that for some other day.

I love you Mum
And I always will
But for now, I just want to say
"Happy Mother's Day"
Today and Always!

Dearest Mum,

...With Lots of Love!!

For the loving care and concern you and  
Dad have showered me with for the past years.  
But most importantly, I want to thank you for showing  
me the strength it takes to be a person. I love you!

Forever,
